## Good news — we've eliminated two fees

We're no longer charging the:

- **Deposited Item Returned or Cashed Check Returned Fee** — This was a \$12 fee we charged if an item you deposited or cashed was returned unpaid. We stopped charging this fee as of **December 1, 2022**.
- **Savings Withdrawal Limit Fee** — This was a \$5 fee we charged for each withdrawal or transfer (over six) out of a Chase savings account in a monthly statement period, maximum of three fees per monthly statement period. We stopped charging this fee as of **March 19, 2023**.

We're also changing the name **Insufficient Funds Fee** to **Overdraft Fee**. There are no changes to how and when we charge this fee or the ways to avoid this fee.

As we update and remove references to these three fees, you may continue to see them listed in the Chase Mobile® app<sup>1</sup>, on chase.com and in other materials.

If you have any questions, please call us at the number listed on this statement. We accept operator relay calls.

<sup>1</sup>Chase Mobile® app is available for select mobile devices. Message and data rates may apply.

### You now have more time to let us know about certain check errors on your account

In June we increased the timeframe for when you can make a claim for checks drawn on your account that have either been altered or that you did not authorize. You now have up to 60 days from when we make a statement available to make a claim on these items in order to be considered for reimbursement.

We've updated the **Safeguarding Your Information** section in our Deposit Account Agreement to reflect this change as well as provide additional information about our check claims process.

If you'd like a copy of the Deposit Account Agreement, please visit [chase.com/business/disclosures](https://chase.com/business/disclosures), visit a branch or call us at the number on this statement. We also accept operator relay calls.

### A reminder about the online FX international wire fee

As mentioned in your May statement, we haven't been charging the online FX international wire transfer fee that's included in your Chase Business Complete Checking<sup>SM</sup> account agreement.

Starting on or after July 16, we will charge the \$5 fee if you send a wire transfer of less than \$5,000 USD from your checking account to a bank outside of the U.S. in foreign currency.

If you have questions, please call the number on this statement. We accept operator relay calls.
